Cousins!!

Our children will grow up with lots of cousins that we see often!

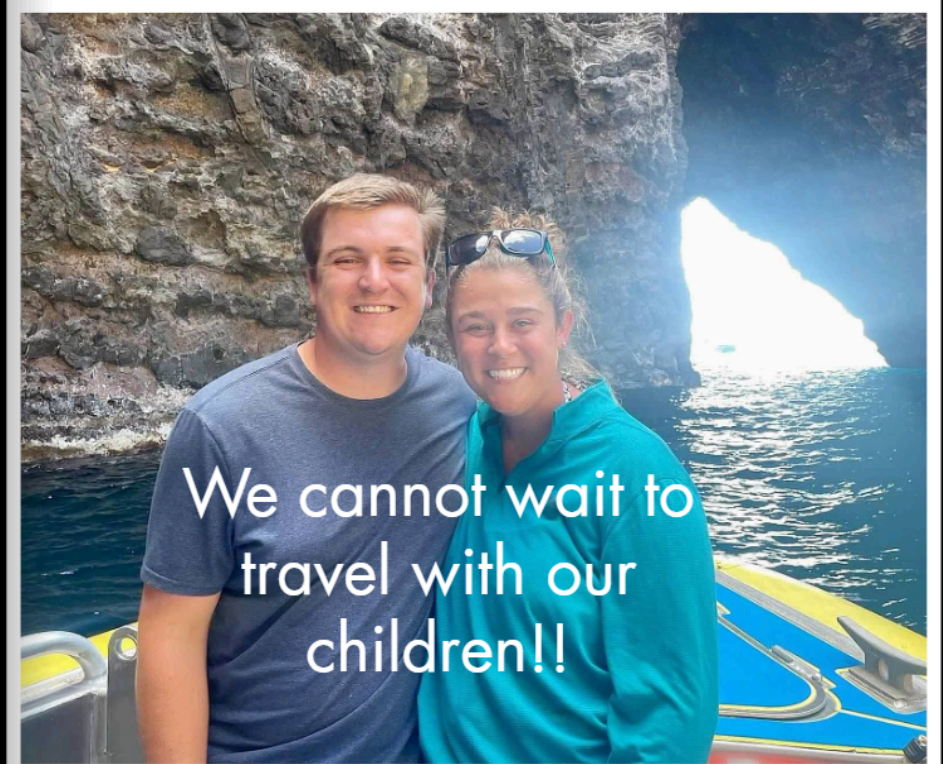

They all love to laugh and play together. We can't wait for the sleepovers and memories to come.

Let's See the World!

Traveling the world is one of our passions! We have traveled to Ireland, Mexico, Hawaii, Puerto Rico, Greece, and all over the USA! We believe that experiencing other cultures is necessary for better understanding the world around us.

We cannot wait to travel with our children!!

Thank you!

We promise this baby will be...

Raised with a strong sense of self worth, a hard work ethic, and compassion for others!

Instilled with a love of the outdoors, being active, and seeing the world.

Confident in who they are and know that they are loved!

This child will grow up and thrive in a stable and encouraging home!
