- A volunteer firefighter and emergency medical responder

Chelsey

- Definitely a homebody, but will go along for a good time too
- Stay-at-home mom and Keziah's personal chef, book reader, and entertainer
- Enjoys doing various projects around the house like restoring old furniture

Keziah

- The happiest two-year old who loves to laugh and to make people laugh
- Shy when she first meets someone new, but is super chatty when she warms up
- Loves to read and be read to
- Loves to be outside whenever possible
- Adopted at birth

Mac

- Mac always wants to make sure Keziah is okay – she can't stand to hear her fuss!
- Has been around kids, even when we didn't have one of our own
- Enjoys waiting for Keziah to drop food
- She loves to go on walks with us
- She loves her people!

Where We Live

- Large, newer built house that is just a short walk from a state recreational area and lake
- Lots of wildlife on our property
- In a secluded neighborhood on quiet, private road
- Close to lots of tourist attractions

In our home...

We love God with all our hearts
We love and respect others – no matter what
We laugh often and play hard
We say “I love you” and hug often

We promise...

Our child will always know they are loved
Our child will always be surrounded by people they can trust
We will always have a TON of pictures of our child
Our child will always know their birth mom (family) loved them
so incredibly much

Thank you!

Although this is just a brief summary of who we are, we hope it has given you a small insight to our family.
