

ASHWINI & KYLE

ADOPTION PROFILE BOOK

HELLO

it's so nice to "meet" you

Dear Birth Mother,

We are Ashwini and Kyle from Fort Wayne, Indiana with our 2 beautiful hounds, Luna and Gus. We have been married for the last two years and are eager to grow our family.

Adoption has always been our first choice to having a child and that is one of the reasons that brought us together. We are eagerly preparing to welcome a child. Growing our family begins with you.

Over the last four years, we have built a strong bond based on family relationships, friends, humility, generosity, moral and cultural values. It is important to us that you know how much love we have to offer. We promise to provide your child all the care, support and happiness.

You have our love and support, as you weigh every option for yourself and your child and our hope for you is that you can feel at peace.

WITH LOVE & APPRECIATION

OUR STORY

We first met at a Sushi restaurant for our first date in early 2018. We both enjoyed each other's company, laughing and sharing funny stories. It was one of the easiest conversations we had in a long time. After going on a few dates Kyle asked me if I wanted to be his girlfriend and it was such a no brainer (he's such a great guy). We feel like we found the perfect partner in each other.

On our first year anniversary Kyle took me to a fancy restaurant and as we were waiting for our food, he casually asked me if I would like to marry him and that was the happiest day of our lives. Soon after few months, we decided to buy our first home together in Fort Wayne and have a small and beautiful back yard wedding. It was such a beautiful and warm day with loved ones & great food.

We have worked together to make our home beautiful, warm and ready for a new baby. Life experiences, good health, family & friends are what matter most to us.

OUR FURRY FAMILY

We rescued two hounds, Luna (3 Yo Female Bluetick/Beagle Mix) and Gus (5 Yo Male Bluetick Coonhound). They are adorable, loving and playful dogs that are great with kids, adults and other dogs. We ensure that they get appropriate physical activity and medical care. They both enjoy the dog park, long walks along trails and belly rubs!

HOME & COMMUNITY

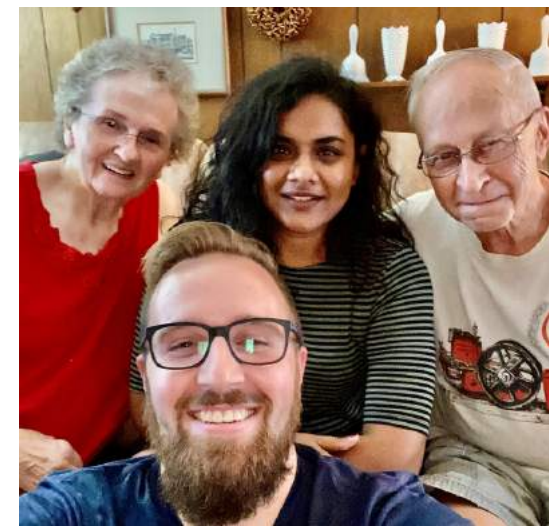

We have a cozy ranch style 3 bedroom home in Allen County, Fort Wayne. Our home has a beautiful front and back yard perfect for kids and dogs. Allen County has some of the best schools districts, health facilities, libraries, playgrounds, restaurants, biking and walking trails. During summers downtown Fort Wayne houses some of the biggest Farmer's Markets and Food Festivals that we enjoy. We have a great group of friends (and their kids) that we spend a lot of time with enjoying game and movie nights. We also love potluck with friends and enjoy great foods over great company.

Our community and friends are going to be a great support system in our future child's upbringing.

FAMILY

We enjoy any time we get to spend with our family especially during Thanksgiving and Christmas. Even though Kyle's family lives in Ohio we see them multiple times a year. Kyle's dad and stepmom have a beautiful deck and pool and have a tradition of hosting summer and fall gatherings with our nieces and nephews that we enjoy. Ashwini's family currently lives in India and we video chat with them every weekend and they visit US once every two years. Our immediate and extended families live all over Ohio, North Carolina, Minnesota and Connecticut that we see during the holidays. Everyone is so excited to welcome our new family member.

FRIENDS

Our friends are an important part of our life. We consider them as extended family. We spend a lot of time with their kids as well during movie/game nights, dinners and birthdays. One of our traditions with our friends is weekly Sushi nights! Our friend's kids (age range 9-12) are so excited and already making plans to babysit our future child.
