Dear Friend,

I thank you for your kindness and grace to get to know our family.

My name is Erin and it is a pleasure to meet you.

I love Jesus Christ, cherish my husband, treasure my babies, give the glory to God and aim to be a good wife, mother, teacher and homemaker. I have an Associates Degree and I worked in the Occupational Therapy field before we had children. Since, we brought home our first baby I've thankfully been a stay-at-home mom. I am 38 years old. I enjoy teaching our kids, serving at church with Bryan, reading, sewing, crafting, the holidays, Disney and football. I am very thankful to God for my family and the baby(ies) He has for us in our future! I love being a parent and raising our kiddos to be loving, kind, creative and helpful.

Thank you again for reading about us,  
Erin

Bryan is a wonderful Husband, Daddy and Christian man! He is imaginatively fun with our children, loving and hard working for our family. He is 40 years old. He has a Masters Degree in Industrial and Organizational Psychology. He is a Senior Director of Global Human Resource.

During his free time, he enjoys time spent with the family, woodworking, growing in his faith--and recently playing on a church softball team. it is important to him to show love and respect to everyone, and to teach that to our children.

We are pleased to introduce you to our beautiful children...

Charley (8) loves taking care of her siblings, making new friends and being silly.

Elly (6) loves all things dresses, family and Jesus!

Benjamyn (2) loves making his sisters laugh, choo choo trains and knock knock jokes!

WE LEARNED SOME VALUABLE LESSONS THROUGH COVID, ONE IN WHICH WAS HOW MUCH ERIN ENJOYED TEACHING OUR CHILDREN WHEN THE SCHOOLS WERE SHUT DOWN. WE REALIZED WE WERE EXCITED, EQUIP AND BLESSED FOR THE OPPORTUNITY TO HOMESCHOOL OUR CHILDREN. WE ABSOLUTELY LOVE IT. WE HAVE A GREAT GROUP OF FRIENDS WHOM HOMESCHOOL ALSO. OUR CHILDREN HAVE BLOSSOMED WITH THE EXPERIENCE. WITNESSING THEIR ABILITY TO BE CREATIVE, ABSORB INFORMATION AND HAVE FUN WITH SCHOOL HAS BEEN VERY REWARDING!

WE PURSUE WAYS TO CREATIVELY MAKE OUR DAYS SPECIAL. OUR FAMILY ENJOYS HOLIDAYS, BIRTHDAYS, HALF BIRTHDAYS, DR. SEUSS'S BIRTHDAY, ZOO TRIPS, GOING TO THE POOL, PLAYING AT PARKS, EATING ICE CREAM ON SUMMER NIGHTS, EXPLORING THE JOYS OF SPRING ON FAMILY WALKS, MOVIE NIGHTS WITH LOTS OF POPCORN AND FINDING WAYS TO LOVE ON OUR NEIGHBORS.

Our children are loved and cherish by many family members. We are blessed with so many wonderful memories spent with family, including Sunday night dinners, making Thanksgiving mashed potatoes with Gamma, Trick or Treating with Nanna and Gamma, water ballooning with Grandpa, making gingerbread house with Great Ma and Papa, Thanksgiving flag football game with cousins and many more!

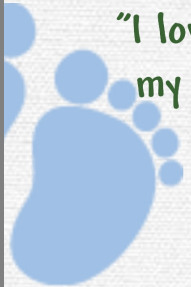

We enjoy our family friendly neighborhood community. We have many parks, beautiful walking trails, a pool, Santa and The Easter Bunny visits, friendly neighbors, summer fireworks and much more. During the warmer days, we spend our time in our fenced in backyard playing, grilling out and water balloon fun!

We believe Jesus Christ is our Savior! He is our firm foundation in all things. He loves us, forgives us and guides us through our life's journey. We are raising our family in His light and love. We focus on teaching them to talk with God, be kind to each other and show God's love to those around them.

"I love the way babies smell...and when I look at my new baby it makes me feel like a great big sister" ~Charley

**"I LUB BABIES" -BENJAMYN**

*"I look forward to holding it, feeding them a bottle and being a big sister"*  
~Elly

*"I can't explain it, but in my heart I know our family is not yet complete"* ~Erin

**"PRIORITIZING OUR FAMILY AND OUR FAITH HAS BEEN SO REWARDING THAT WE ARE SO EXCITED TO OPEN OUR HEARTS TO MORE CHILDREN" -BRYAN**

"But seek first the kingdom of God and His righteousness,  
and all these things will be added to you" -Matthew 6:23

I never truly understood this verse until I met my wife, Erin.

Dating never really made sense until I stopped looking, spent time growing in my faith and then seemingly out of nowhere I was introduced to my perfect compliment. After two years of marriage and seeking to grow our family through adoption, we took a step back to pour ourselves into our local church and wonderfully we were selected to be the parents of our first adopted daughter. And after moving to a new city, months of remodeling our home, we submitted to God once again for His will for our involvement in our community and that very day we received the call for our second daughter.

I say this because I want you to know that our family will pray weekly over this book and everyone that reads it. We simply will pray for your heart, that like us, your heart will be open more and more each day to God's gentle voice, so that the peace of His love would wash over you. As you draw nearer to Him, all things are made clear! -Bryan
